about lane restrictions and traffic delays ahead of time. For current roadwork information, find out

**KNOW YOUR ROUTE.** The most common factor in work zone crashes is driver inattentiveness.

**PAY ATTENTION.** The most expect delays.

**SLOW DOWN.** Leave early to reach your destination on time and

**Safety is ITD's #1 priority**

complete in 2010.

The project is expected to be the Garritty and Meridian interchanges.

6.2 miles of Interstate 84 between (ITD) will widen and reconstruct The Idaho Transportation Department

**Widening begins soon!**

## Construction Ahead

Please join us for one of two open houses to learn more about final design, construction schedule and traffic impacts for the I-84, Garritty to Meridian project.

### MERIDIAN

Wednesday, June 25, 2008  
4 to 8 p.m.

Boondocks Events Center

(1385 S. Blue Marlin Lane, west of  
Meridian Interchange off Overland Road)

### NAMPA

Thursday, June 26, 2008  
4 to 8 p.m.

Hampton Inn & Suites

(5750 E. Franklin Road,  
off Garritty/Idaho Center Boulevard)

# What to expect during construction

## GARVEE TRANSPORTATION PROGRAM

The Idaho Transportation Department (ITD) will construct several improvements to I-84 West through the GARVEE Transportation Program. The program uses Grant Anticipation Revenue Vehicle (GARVEE) bonds to expedite interstate improvements.

## STAY INFORMED

For the latest construction information, visit the project Web site at [itd.idaho.gov](http://itd.idaho.gov). Click on Projects, Southwest Idaho and I-84, Garry Interchange to Meridian Interchange Project. **For more information, call ITD at 334-8005 or e-mail [comments@itd.idaho.gov](mailto:comments@itd.idaho.gov).**

## Find Another Way

Many employers and transportation groups are offering monetary incentives to use the bus, carpool, or vanpool. To learn about other ways to commute in the Treasure Valley, call 345-POOL (7665) and 345-RIDE (7433) or visit [commuteride.com](http://commuteride.com) and [valleyride.com](http://valleyride.com).

ITD will widen and reconstruct 6.2 miles of Interstate 84 between the Garry and Meridian interchanges. The project is expected to be complete in 2010. Work on a new Ten Mile Interchange will continue into 2011.

## Traffic Impacts

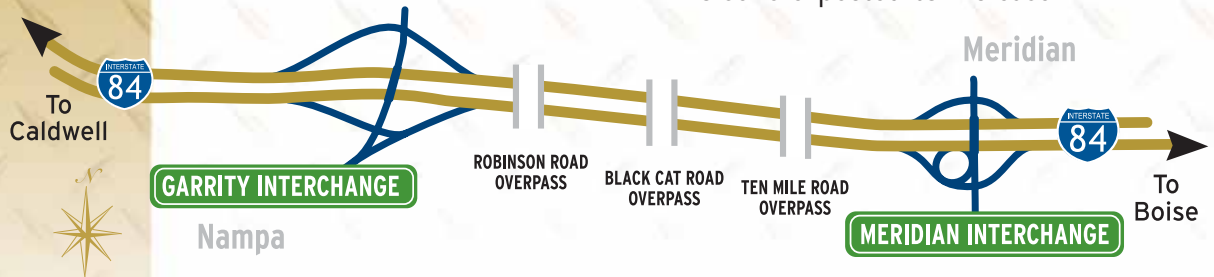

- Speed limit is 55 mph in the project area.
- Highway shoulders are restricted.

### DAYTIME

- Two lanes of traffic are open in each direction from 5 a.m. to 10 p.m.

### NIGHTTIME

- At least one lane of traffic is open in each direction from 10 p.m. to 5 a.m.
- Noise is expected to increase.

## Construction Schedule

### I-84, TEN MILE TO MERIDIAN

- Construct new lanes in median, **Summer 2008**
- Reconstruct existing westbound lanes, **Summer - Fall 2008**
- Reconstruct existing eastbound lanes, **Fall 2008 - Summer 2009**
- Modify Meridian Interchange eastbound on-ramp to allow for I-84 expansion, **Spring 2009**

- Reconstruct existing eastbound lanes, **Fall 2008 - Summer 2009**
- Reconstruct existing westbound lanes, **Summer 2009 - Fall 2009**

### I-84, ROBINSON AND BLACK CAT OVERPASSES

- Reconstruct overpasses to allow for I-84 expansion, **Fall 2008 - Spring 2009**

### I-84, GARRY TO TEN MILE

- Prepare median and install drainage facilities, **Summer - Fall 2008**
- Construct new lanes in median, **Fall 2008**

### I-84, TEN MILE INTERCHANGE

- A separate project will construct new I-84 on- and off-ramps at Ten Mile Road, **Summer 2009 - Summer 2011**

Construction open houses will be held Wednesday, June 25 and Thursday, June 26. For more details, see outside.
